

How to Fill Out Your Livestock Pre-Entry Form:

Each exhibitor must fill out a pre-entry form for EACH project type that is to be exhibited. Write all classes for the project on the correct pre-entry form. (Beef on the beef form, sheep on the sheep form, etc.) Horse forms are to be filled in with classes only - please do not enter individual horses.

The **showmanship classes, bred & fed competitions and youth producer classes** must also be pre-entered. There are specific boxes on the pre-entry forms for these classes where you will indicate that you wish to participate.

- PLEASE NOTE: Entering your animal in the market classes DOES NOT mean that they are entered in showmanship or bred & fed. The same is true of the opposite - entering your animal in bred & fed does not automatically mean they are entered in the market and/or showmanship classes. Be sure to check your form to make sure you have filled out ALL the classes you want to participate in completely.

Please be aware that you will need to reference the Delta County Fairbook in order to enter **breeding** classes. You will need to look up the appropriate Department/Section/Class numbers as well as the class names and enter these in the appropriate boxes on the forms.

Be sure to fill out the **BACK** of the pre-entry form with all the appropriate information and signatures. Double and triple check that you have all the necessary signatures on **BOTH** sides of the form before you turn it in. Forms without appropriate signatures will not be accepted.

Pre-entry forms are due to the Delta Office before 4:30 PM on June 20, 2025.

How to Fill Out Your Shooting Sports Pre-Entry Form:

Members participating in the Premier Exhibitor Contest **MUST** bring an exhibit/display to the Delta County Fair and participate in the interview judging day on July 25, 2025.
